UI/UX DESIGNER | PRODUCT DESIGNER | PROJECT MANAGER

Product Designer with an end-to-end background spanning UI/UX design, giving me fluency across design, and strategy. I specialize in bridging cross-functional teams to translate complex problems into well-scoped, executable product solutions. I bring adaptability, strong stakeholder communication, and a context-driven approach to every product I design.

WORK EXPERIENCE

Vrit Tech **03/2026 - Present**
Project Manager **Shankhamul, Kathmandu, Nepal**

- Assist in project planning, scheduling, coordination, and milestone tracking to ensure timely execution.
- Support reporting, documentation, and communication with teams and stakeholders for smooth project progress.
- Identify risks and process improvements while taking ownership and accountability for assigned tasks.

Doors Connect **07/2025 - 03/2026**
Product Designer **Shankhamul, Kathmandu, Nepal**

- Led end-to-end product design from research and wireframing to high-fidelity UI design and developer handoff for scalable web applications.
- Collaborated with cross-functional teams to create intuitive user experiences, reusable design systems, and responsive interfaces.
- Conducted user research, usability testing, and iterative design improvements to enhance product usability, accessibility, and overall performance.

WSN IT Consulting **01/2025 - 03/2025**
UI/UX Designer **Texas, USA**

- Designed user-friendly interfaces, design systems and seamless experiences that aligned with client branding and design standards.
- Translated wireframes and mockups built in Figma into responsive, optimized WordPress themes and functional web layouts.

Gamemic Virtual Studio **11/2023 - 08/2024**
UI/UX Designer **Boudha, Kathmandu, Nepal**

- Designed intuitive user interfaces aligning visual design with user goals.
- Created detailed wireframes and high-fidelity prototypes using Figma, supported by user testing feedback.
- Collaborated with developers to ensure seamless implementation of design systems and UI consistency.

Self - Employed **01/2021 - 01/2023**
Freelance UI/UX Designer | Product Designer

- Focused on creating intuitive and visually appealing interfaces while improving the overall user experience through research, wireframes, and usability testing.
- Worked on the broader product lifecycle, combining UX/UI design with product strategy, feature planning, and collaboration with business and engineering teams.
- Collaborated with stakeholders and the developer team to ensure the product meets user needs.

Kathmandu Animal Treatment Center
Wordpress Developer

10/2019 - 05/2021
Budhanilkantha, Kathmandu, Nepal

- Developed dynamic, user-friendly website using Wordpress with a focus on structure, accessibility, and performance.
- Managed website maintenance, plugin integrations, troubleshooting, and provided clients training on content updates and basic upkeep.
